RICHARD SCOTT, Editor

STETSON UNIVERSITY BULLETIN
VOLUME LVII APRIL, 1957 NUMBER 2

Published quarterly. Entered as second class matter at the post office at DeLand, Florida, under the Act of August 24, 1912. Published at Science Hall, Woodland Boulevard and Minnesota Avenue, Deland, Florida.

THE STETSON SEAL

The seal of Stetson University was adopted between 1889 and 1891, about the time the name of the institution was changed from DeLand College to John B. Stetson University. It first appeared on a university catalogue in 1891. The drawing was by an artist-in-residence and approved by President Forbes, Henry DeLand and John B. Stetson as well as by the Board of Trustees. The Latin motto, "Pro Deo et Veritate," is translated, "For God and Truth." The Lamp, Signifying the Light of Truth, rests on the Book of Wisdom. With the removal of the College of Law to St. Petersburg, the word DeLand has been omitted from the seal.

THE STETSON COLORS

The Stetson colors, green and white, were adopted about the same time as the seal and were used at the beginning of intercollegiate athletics in Florida as newspaper accounts of the first college football game in 1901 told of Stetson fans waving their colors of green and white, as they urged their team to victory. At the first commencement in 1893 the stage was decorated in green and white. It is believed that the colors were chosen from the rich green of the orange trees and the pure white of the orange blossoms, a magnificent sight in the throughout Florida's great citrus belt. The color white represents purity and the green signifies growth.

THE CAMPUS

The principle campus of Stetson University comprises about fifty acres within easy walking distance of the center of DeLand. Some thirty buildings house its varied activities. Administrative offices are in Elizabeth Hall, which is the largest classroom building and contains the principal auditorium. The physical sciences are housed in Flagler Science Hall. the School of Music in DeLand Hall and Annexes, and the art department in Holmes Hall. The School of Business has its own building.

Allen Hall, as the student religious center, provides facilities for recreation, worship, and conference as well as offices for all student religious workers.

The Monroe Heath Museum, in Science Hall, exhibits examples of Florida plant and animal life together with certain arts and crafts of American Indians. The William E. Holler Fountain with its display of colored lights, beautifies the quadrangle between Elizabeth Hall, the Library, and Holmes Hall. There are gymnasiums for men and for women, several playing fields, dormitories, and refreshment and recreational facilities.

HISTORY

Stetson was founded in 1883, became a college in 1885, and a university in 1887. Known first as DeLand Academy, after the principal founder of the town, Henry A. DeLand, its name was changed to Stetson University in 1889 in honor of the well-known hat manufacturer who gave generously of his time and means. From 1898 to 1910, Stetson was affiliated with the University of Chicago in a unique student exchange plan. The College of Law organized in 1900, was admitted to membership in the Association of American Law Schools in 1931. The next year the University was accredited by the Southern Association of Colleges and Secondary Schools. Its School of Music became a member of the National Association of Schools of Music in 1936. The School of Business was organized in 1940. Popularly known as Stetson University, the legal name of the corporation is John B. Stetson University.

FACULTY ADVISER SYSTEM

Each student at Stetson has a faculty adviser, a member of the faculty who has been chosen to assist him in making sound decisions regarding his academic program, his vocational choice and other personal plans. In most instances, the adviser is a professor of the academic field in which the student wishes to specialize.

An entering student has many opportunities to become acquainted with his adviser during his first few weeks in college through participation in the Orientation Program. He learns more about his own interests, aptitudes and abilities by means of tests and personal conferences. He learns about academic requirements and vocational opportunities from reading and from further conferences. He continues to find his adviser helpful at the upperclass level. The adviser assists him in making out his academic program each term, gives helpful suggestions when he has difficulty in certain courses

and serves as an interested friend when the need arises.

The advisory system is coordinated by the Guidance Office which endeavors to make adviser assignments which are mutually satisfactory to both students and advisers. This office also has facilities for psychological testing, remedial work in reading and studying, and personal counseling. The Dean of Men, Dean of Women and other administrative officers give assistance to students which is supplementary to the advisory system.

STUDENT ADVISER SYSTEM

Each spring the Deans of Men and Women choose a group of students to become Freshmen Advisers for the following fall season. These students are chosen, not for their high scholastic average nor for numerous extra-curricular activities, but for their ability to represent all phases of college life, and still further, to help each new student to become a member of the Stetson family as quickly as possible.

An adviser begins his contact with a freshman through correspondence during the summer and such associations prove profitable to both adviser and advisee, the work of the student advisers is coordinated by the members of the Orientation Committee, a student committee which helps plan the activities of orientation week. It is the particular duty and pleasure of each adviser to stand beside his advisee until the new student is well established in college life, has found his place in the group and has adjusted himself socially and mentally to campus life.

UNIVERSITY FACILITIES

The Browsing Collection is located at the right of the entrance to the Reading Room and includes the latest and best light reading in fiction and non-fiction. THE UNIVERSITY INFIRMARY

The University Infirmary is staffed and equipped for the treatment of all minor injuries and illnesses, and provides for the hospitalization of those acute illnesses not requiring special nursing care. All full time students are entitled to these services. The University physician is on call at all times and visits the Infirmary every day. Appointments are made by contacting the nurse.

The University is not responsible for treatment and care beyond the services offered by the infirmary. The Infirmary offers emergency treatment for epilepsy, asthma, diabetes, etc., but cannot accept the responsibility for the continuous care of these or any prolonged illness.

All surgery, major or minor, performed at the Infirmary or elsewhere, is at the student's expense. If a physician is called without the proper authorization, or if a student visits the University physician's office downtown without proper referral, this is also paid by the student.

Absentee cards for classes and Chapel are issued only to those who have been ill in the infirmary or at home. The cards must be initialed by the appropriate instructors and returned to the Dean of Women or Men. A student ill at home is to bring a signed statement to the Infirmary upon his return to classes. All students living on campus or off should notify the Infirmary if possible of any illness or accident causing absence from classes. The University cannot accept the responsibility of illnesses or injuries unless they are reported to the Infirmary.

All dormitory girls must sign out if they are remaining in the infirmary overnight. The nurse will be responsible for signing out any girl for more than one night. Students leaving the Infirmary to go home with parents or otherwise must sign out from their respective dormitories.

LOST AND FOUND

The Lost and Found Department is located at the information desk in the Student Union Building. Any lost article may be claimed at the desk with proper identification. Any article found should be turned into the desk.

SCHOLARSHIPS, AIDS, PRIZES AND AWARDS

Stetson offers a varied number of scholarships, aids, prizes and awards for worthy students. Every student should look into the possibilities of obtaining them. See the Catalogue, as well as the copy of **Your Opportunity** available in the library.

All scholarship holders must register with the Committee on Student Aid at the beginning of each semester.

University Policy Concerning Student Aid

All student aid at Stetson is based upon financial need as well as qualifications of character, academic achievement, and promise of leadership. All students who receive scholarships, tuition grants, loans or who work at any job for the University, must present evidence of financial need to the Committee on Student Aid. The form on which this information is set forth is provided by the College Scholarship Service of Princeton, New Jersey. Copies may be obtained from the Admissions Office and should be returned to that office when completed.

This procedure is part of a nation-wide move to make college education available to more young men and women who deserve it, but cannot afford to pay the rapidly rising costs at institutions such as Stetson. In asking each student to file this information (which is naturally kept confidential) concerning his own and his family's financial situation, Stetson is attempting to spread its limited scholarship funds as far as possible and to give real assistance to those who need it most.

EMPLOYMENT

Part-time employment with the University is available to a limited number of students. It is required that such students maintain a "C" average in academic work, live in the University dormitories, and take their meals in the University cafeteria.

THE STUDENT DEPOSIT FUND

For the convenience of the students, student banking facilities are maintained at Stetson. Funds may be deposited with the University Business Office, and each student will be issued a passbook. The passbook must be presented for all transactions.

If the passbook is lost, the University cannot be responsible for any subsequent activity on the account with an unauthorized party presenting the passbook. Loss should be reported immediately, and activity suspended on the account for a two-week period. At the end of this period a duplicate passbook will be issued.

The Business Office may require 24 hours notice for withdrawal in excess of \$25.00. A charge of \$1.00 per semester is made for this service; no interest will be credited.

A minimum balance is \$5.00, and the maximum \$200.00. No deposits or withdrawals will be made in amounts less than \$5.00. Withdrawal vouchers are honored only at the Business Office.

STUDENT INSURANCE

The University does not require that all students be covered by accident insurance, but strongly recommends it. Many areas of extra-classroom activity are provided for the student's benefit and pleasure, but since participation is entirely voluntary the University cannot be responsible for any expense which may result from such activity.

The Business Office will be glad to advise parents and students in the matter of insurance.

RELIGIOUS LIFE

It is the purpose of Stetson University to realize in the curriculum and in the classroom the implications of its motto, **For God and Truth**. Every endeavor is made to translate Christian principles into campus life and activity. Chapel services are held regularly. Vespers, planned and directed by students, are held several evenings each week. Religious organizations endeavor to increase the churchmanship of the student body. The Director of Religious Activities coordinates the interests represented by the organized religious groups.

THE RELIGIOUS CENTER

The Religious Center, also known as Allen Hall, was given by the Florida Baptist Convention. It serves as the center for the work of the denominational student groups. In it one will find the office of the Dean of the Chapel, the offices of the Department of Religion, and the archives of the Florida Baptist Convention.

Prayer rooms for private prayer and meditation are maintained in Allen Hall. There are also meeting rooms and kitchen facilities available which may be reserved through the office of the Dean of the Chapel by student groups wishing to use such facilities.

VESPER SERVICES

Vesper services are held each Monday, Tuesday, and Thursday evenings at 6:45 p.m. in the chapel of Elizabeth Hall. The services, devotional in nature, are student-planned, student-led, and non-denominational.

CHURCH ATTENDANCE

All students are urged to attend Sunday School and Church services on Sunday. The University cooperates to this end with all churches in DeLand. On Sunday work is suspended throughout the University, and the office buildings, the laboratories and the libraries are closed.

THE CREEKE

SORORITIES

Alpha Xi Delta—Omega Chapter was established at Stetson in 1917.

Alpha Chi Omega—Gamma Chi Chapter was established in 1957.

Delta Delta Delta—Alpha Delta Chapter was established in 1913. For several years previously it existed as a local.

Phi Mu—The Alpha Xi Chapter was established at Stetson in 1949.

Pi Beta Phi—Florida Alpha Chapter was established at Stetson in 1913, having existed as a local for several years previous to that time.

Zeta Tau Alpha—Beta Psi Chapter was established in 1934, after having existed for several years as a local.

Alpha Dexioma*—The Alpha Chapter of Dexioma was established in May 1940. The purpose of the organization is to promote democratic friendship and understanding among its members and to broaden the social, political, athletic and religious life of its members. All women in Stetson University who are not associated with a national social organization may become members.

*Alpha Dexioma is not a unit of the Panhellenic Association.

PANHELLENIC

Panhellenic is an organization composed of three delegates from each sorority on the campus. There is close cooperation in Panhellenic on such matters as the maintenance of University sorority standards, scholarship supervision, social affairs, etc. Rushing is also regulated and governed by the college Panhellenic. The main purpose of a college Panhellenic is to provide a medium through which sorority women may work together, and may cooperate to unify the interests of women students.

RUSHING AND PLEDGING

Approximately one-half of the co-eds do not belong to sororities. For various reasons these girls either may be unable to join a sorority or may not wish to become affiliated with any such group. In any case, a girl is judged by what she is as a person and not by any organization to which she belongs.

1. Sorority Chapters—A chapter is a group of college women who have elected to establish a close affiliation with one another for four years as college students and thereafter as college and sorority alumnae. The chapters are largely self-governing. They maintain high ideals in scholarship and in social customs.

2. Rushing—Rushing gives girls who are interested in pledging to a sorority an opportunity to become acquainted with the sorority women on the campus and to know something of their organizations. During rushing each fraternity entertains rushees at a series of parties.

Alumnae members of each sorority send recommendations to their chapter for sisters, relatives or friends entering college who, they think, would be adaptable to these chapters. During rushing these recommended persons largely make up the group of rushees.

Informal rushing is carried on during the remainder of the college year during which time each sorority is permitted to invite rushees to the chapter room to be guests at parties etc. This latter type of rushing is done to select new members from acquaintances made through campus contacts and new friendships as contrasted with contacts made through recommendations of alumnae and friends.

Careful thought should be exercised before a girl accepts a bid, for pledging means choosing friends for her entire active and alumnae sorority life. She should not plan to pledge to a sorority unless she intends ultimately to become a college graduate, nor should she accept the expense of membership (which is not exorbitant) until she thoroughly understands the amount involved and her ability to meet it.

All groups are worthy of membership and rushees are urged to make decisions independently and on the basis of congeniality.

It is beneath the standards of sorority women to speak disparagingly of any chapter or any sorority. A member of one organization who so forgets and criticizes any member of another group, or the group as a whole, will discredit herself in the eyes of all sorority women and rushees.

It is beneath the standards of sorority women to allow any illegal methods in rushing. A sorority member may give information on the history, standards, finances, and program of her sorority.

Detailed information concerning rushing will be given in printed form to all girls who attend the first Panhellenic meeting and express their interest in receiving this material.

In order to be eligible for pledging a girl must be taking at least twelve hours of academic work and must have a "C" average from high school or from the preceeding semester.

University Regulations

Stetson University expects its students to conduct themselves as ladies and gentlemen. Such conduct is a part of essential character and cannot be legislated. However there are certain rules and regulations concerning conduct on and off the campus which have been printed for the guidance of all concerned. These rules appear in this student handbook and each student should familiarize himself with them.

Disciplinary matters are ordinarily handled by the Men's Council, Women's Council or the Student Deans. Recommendations regarding serious offences will be referred to the Academic Council. The University does not single out any particular action for penalty. Each student should understand clearly, however, that any conduct on his part which results in bad publicity for the University or which is a reflection against the ideals of the institution will cause him to be called before the appropriate council. There he will give an accounting of his actions and be liable for disciplinary action.

GENERAL UNIVERSITY REGULATIONS

Each student at Stetson University is subject to the rules and regulations of the University as printed in the Catalogue and in the Student Handbook. The following regulations apply to all students and are enforced by the appropriate administrative office:

1. **Change of registration.** If it is necessary for a student to add or drop a course after he has completed his registration, he must first secure the approval of his faculty adviser and then receive the approval of the dean of the college or school in which he is registered. Courses dropped after the first week of classes will automatically count as failures except in special cases.
2. **Social Calendar.** All social events must be scheduled on the University Calendar which is kept in the office of the Dean of Women. Students who are responsible for events which need chaperones should consult this calendar and make necessary arrangements in the Dean of Women's office well in advance of the event.
3. **Withdrawal from University.** Students who wish to withdraw must receive clearance from several administrative

offices and should begin the withdrawal procedure at the office of the Dean of Men or Dean of Women. See page 28 in Annual Catalogue.

4. **Academic Probation and Suspension.** Students whose cumulative academic averages drop below C will be placed on academic probation, which is continued until the C average is regained. If a student on probation fails to earn a C average in any semester, he is eligible to be dropped from the University. See page 27 in Annual Catalogue.

5. **Class Attendance.** The method of instruction employed at Stetson requires regular attendance at classes. Two regulations govern absences: (1) A student missing classes to the detriment of his work will be warned by the instructor that further absences may result in a reduction of his grade; he will be reported to the dean of his college and the appropriate student dean.

(2) Ten per cent of class meetings is regarded as a maximum of absences—for illness, emergencies, social activities, or whatever reason. There are no excused absences, only explained or unexplained absences. Students are responsible for making up the class work they miss, regardless of the reason of the absence and should make these in advance whenever possible.

6. **Chapel Attendance.** As a church-related University, Stetson considers the weekly chapel service, which is held each Tuesday or Wednesday morning, and the student Assembly, which is held each Friday morning, to be integral parts of the total educational experience of each student. Both programs are designed for the purpose of drawing the student body and faculty into a unit through common worship and through the sharing of educational and esthetic experience. Hence attendance at both programs is required of all students. The following regulations have been designed to emphasize the important place held by the services in the estimation of the University.

(1) Chapel and assembly absences are recorded separately.

(2) Each student is allowed two unexcused chapel absences during each semester.

(3) Each absence in excess of two, unless excused by the Dean of Women or Dean of Men, will result in the deduction of one-half quality point. Such a deduction becomes a part of the student's permanent

record, and it is referred to if his conduct or academic record is under consideration.

- (4) If a student's unexcused absences exceed three in any one semester, appropriate disciplinary action will be taken. The procedure will follow that for any other infraction of University rules and may result in suspension from the University

7. **Examinations, Inventories, Grades, Quality Points.** At the end of each six weeks period a grade inventory is held and all instructors report the names of students who are doing unsatisfactory work. These grade estimates are not permanent grades, but are used as an indication of student progress at that time. Inventory grades are based on one or more examinations in most classes, and inventory examinations are usually given immediately before the inventory reports are due. Final examinations are given in all courses at the end of each semester.

Grades and quality points in courses represent the instructors' final estimate of the student's performance and are based on all work done during the semester. A (three quality points per semester hour), B (two quality points per semester hour), C (one quality point per hour), and D (no quality points per hour) are passing grades for which the student will receive credit. F (minus one quality point per hour) is the failing grade for which no credit is given. The quality point ratio is obtained by dividing the total quality points by the total hours attempted. See pages 27 and 28, Annual Catalogue. Students who have unpaid accounts will not be allowed to take final examinations or to receive official grade records.

8. **Notice to Parents.** When a student is involved in serious difficulty—whether academic, financial, social or otherwise—the University may notify his parents or guardians.
9. **Automobile Registration.** Each student must register his automobile during the first week of each term or within one week after bringing a car to the campus. At that time he will receive an auto registration sticker and a list of specific traffic regulations.

Changes in license numbers of automobiles should be reported to the Office of Dean of Men or Dean of Women.

As stated in the University Catalogue, "Students may bring automobiles to college but their use is subject to University regulation."

THE EXAMINATION POLICY

(This is a portion of the statement adopted by the University Faculty.)

The ultimate goal toward which we must all strive is a workable honor system. Realizing that such a system is not now feasible on the campus, however, we recommend the following in order to establish a uniform disciplinary procedure:

1. On the first offense the minimum punishment will be an F on the paper, test, or examination. The maximum punishment will be a failure on the course. Naturally, the professor must make his position clear to each class at the beginning of the semester and must be consistent in enforcing his policy.
2. A report of each offense will be sent to the Registrar's Office to become a part of the student's records. A first offense will not become a part of a student's permanent record.
3. Upon receipt by the Registrar of a report of a second offense by the same student, she will notify the Dean of the University so that he may take appropriate administrative action, which, the Committee feels, should be suspension from the University.

WOMEN'S STUDENT GOVERNMENT ASSOCIATION

The Women's Student Government Association welcomes all new women with a hope that each will find a genuine interest in its activities during her years at Stetson. Every resident woman is automatically a member of the Women's Student Government Association. It is an organization formed and controlled by the students themselves and aims at producing the best possible college life for all. It not only seeks the welfare of the group but also seeks the welfare of the individual. It calls on each girl for a standard of conduct that the students of the past and present have wished to maintain.

Its success in the past has depended wholly upon individual dignity, integrity and responsibility. The future will be determined in like manner. Each girl is called upon for whole-hearted participation realizing that through this parti-

icipation she—as an individual—speaks and will—as an individual—contribute to the standards of Stetson University.

The resident women once a year elect an executive council which seeks to serve the students in every capacity.

Each dormitory has a house council which functions as a unit of the executive council.

Gladly we greet thee, altogether lovely;
Peace be within thy classic halls and temples,
Hail, Alma Mater dear.

Hail to the heroes who have gone before us,
Young men and maidens, filled with true devotion!
Bright in their glory, fadeless and undying,
Hail to our heroes gone!

Hail to our classmates, bound by ties ne'er broken;
Here once again we pledge our vows of friendship;
Brave hearts and true hearts sound aloud the chorus,
Long live our comrades dear!

Dear Alma Mater, tenderly thy children
Gather, and bring to thee gracious salutations;
Comrades, your voices lift once again in chorus,
Hail, Alma Mater dear!

SCHOOL SONG

Dear Alma Mater,
We love your spirit,
We love your valor true and fine,
Your colors waving in all the glories
Of the honors won through time.
Our school we cherish, with all its glory;
There's not another one compares,
We love its victories
And Hatters all will fight
For dear old Stetson U.

WE ARE THE GUYS FROM STETSON U.

We are the guys from Stetson U. you hear so much about
The other schools envy us whenever we go out,
SO, fill your lungs and sing it out and shout it to the skies
The Green and White forever, we'll be loyal 'til we die.
As we go marching and the band begins to play,
Rah! Rah! Rah!
You'll hear us shouting: Stetson U. will win the day.
Fight!

STETSON HATTERS

Here comes our team in green and white
They're out for victory tonight.
See them fight, fight, fight.
See them stand for the right.
Now watch them as they go.
Now sing it: S..T..E..T..S..O..N. Stetson **Hatters, Hatters**
S..T..E..T..S..O..N. Stetson, **Hatters, Hatters,**
Guard that line, now see us shine,
For we're the guys from Stetson U.
For it is: S..T..E..T..S..O..N, **Hatters, Hatters**
S..T..E..T..S..O..N. **Hatters, Hatters**
Guard that line, now see us shine,
For we're the guys from Stetson U.

GO, HATTERS, GO

Hatters, you will win the game; listen to our cheer
(Go, Hatters)
Shout the glory of your name; Spread it far and near
(Yea, Hatters)
Alma Mater, praise to thee and to our teammates true;
(Go, Hatters)
Marching on to victory. Let's Go, Hatters, Go!
